

HELP SHAPE THE FUTURE WITH **LEAD UNITED**

ABOUT LEAD UNITED

LEAD United is a community of changemakers committed to making a difference across the Fox Cities. Through education, fundraising, and hands-on volunteering, members build meaningful connections, gain hands-on experience, and take action on critical local challenges. LEAD United empowers participants to use their voices, networks, and skills to strengthen our community and help create a brighter future where everyone has the opportunity to thrive.

WHY JOIN?

Joining LEAD United means being part of a community that connects social impact with personal and professional growth. Members engage in learning experiences, organize and attend fundraising events, participate in volunteer initiatives, and have opportunities to step into leadership roles through committee involvement.

You'll also build meaningful connections through networking and educational events, collaborating with others who care deeply about the Fox Cities. Open to anyone passionate about making a difference, a shared commitment to giving is a key part of the LEAD United experience, with members encouraged to give at a level that is meaningful to them and helps fuel the work and impact they care about most.
