UNITED IS THE WAY

We build a stronger, more caring community for everyone

United Is The Way, Join Us

WHEN WE COME TOGETHER, OUR COMMUNITY GROWS STRONGER

When you give to United Way Fox Cities, you're a part of something bigger. You join neighbors, businesses, volunteers, and community partners who believe that when we come together, we can create lasting change.

Every day, people across the Fox Cities face challenges such as rising costs, housing instability, childcare gaps, and mental health needs. These aren't someone else's challenges, they affect our neighbors, coworkers, friends, and families.

That's why United Way works with organizations and volunteers across the Fox Cities to coordinate efforts, invest in local solutions, and respond to changing community needs. By listening, investing, and working alongside our partners, we're helping connect people with the support they need while strengthening our community for the future.

Your gift makes that possible. It can help someone find resources through 211, provide diapers and other essentials for a growing family, expand access to mental health services, or help remove transportation barriers that stand between someone and work, healthcare, or other opportunities. Every investment helps people build stability and creates stronger communities for us all.

This is what community looks like: neighbors helping neighbors.

Join us by giving, volunteering, and learning more. Together, we can build a stronger, more caring Fox Cities for everyone.

MEETING NEEDS AND CREATING OPPORTUNITY

Stronger communities begin with shared hopes and collective action. Every day, your support helps create opportunities, strengthen families, and connect people with the resources they need. That work comes to life through four interconnected impact areas.

HEALTHY COMMUNITY

We improve access to nutritious food and quality health education and services, so people have the resources they need to lead healthy lives.

YOUTH OPPORTUNITY

We create pathways for young people to reach their goals, from early childhood education to college and career success.

FINANCIAL SECURITY

We connect people to education, tools, and job training so they have financial freedom, peace of mind, and the opportunity to build a stronger future.

COMMUNITY RESILIENCY

We work with our neighbors to build resilient communities that are more connected, supported, and ready to respond to any challenge.
