GAME SHOW Gala

At United Way Fox Cities, we believe bringing people together should be meaningful and fun. Inspired by the excitement of The Price Is Right, our Game Show Gala transforms a traditional event into a high-energy, interactive experience where corporate teams compete for prizes and bragging rights. It is a chance to bring your team together in a fresh, engaging way while enjoying a little friendly competition with others who care about this community.

Throughout the evening, guests will discover how the "price" of real challenges in our community connects to our work across Healthy Community, Youth Opportunity, Financial Security, and Community Resiliency. It's an engaging, memorable way to build camaraderie within your organization while strengthening connections across the Fox Cities. We hope you will 'Come on Down' and join us for a night of making a difference!
